Department of the Interior.

General Land Office,

Washington, D. C. October 9<sup>th</sup> 1878.

Auditor of State,

Indianapolis, Indiana.

Sir,

I have to acknowledge the receipt of letter from your Department dated the 31<sup>st</sup> August 1878, requesting information as to what land the State of Indiana held as Canal lots in Survey No 12. Township 27 N. Range 4 E. granted to Francis Godfroy, and desiring more especially information as to Lots 231 and 232 as laid down by State survey or resurvey.

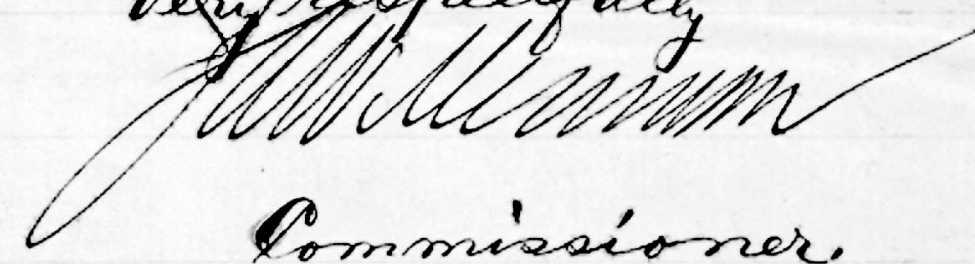

In reply I have to say that diligent search among the files and records of this Office fails to reveal any information as to the particular lots referred to.

I send you, herewith inclosed, a tracing

from a special plat of survey of the claim of Francis Godfroy, furnished by the Surveyor General in 1840. and showing the strip of land six chains wide, granted to the Canal Company, and extending through said claim.

Further search will be made for the desired information and should additional evidence be found this Office will take pleasure in communicating the same to you. Two postage stamps herewith returned.

Very respectfully

  
Commissioner.
